## STANDING ORDER GUIDE 2018

A standing order (sometimes known as 'banker's order') allows you to instruct your bank to make regular payments. The main difference between a standing order and a direct debit is that it is set up and regulated by you, rather than by the club. If set up to continue 'until further notice' it does mean that you can relax once it is done. You can also cancel your membership at any time.

Although this has some advantages, a new -replacement - standing order must be set up if you wish to change the amount you are paying and some banks do not allow multiple standing orders to be set up to the same account, so you will need to pay for all family members in one. If this is the case, please email the Club Secretary or Treasurer with the details. **It also means that we cannot cancel it for you.**

Most banks allow you to set up standing orders online, over the phone or in person. Each bank has their own form, but all the information you should need is contained in the table below. If you have any further questions, just get in touch. Chairman: Phil Shepherd-Foster - [elitesabrecoaching@gmail.com](mailto:elitesabrecoaching@gmail.com)
